Training Process

- Take courses or watch videos
- Review User Guides
- Pass online test(s)
- If applicable, run 2 hybrid protocol tests (Test Proctor+)
- If applicable, own or have access to a Physio Tracker v2 (Test Proctor+ and HMCT)
- If applicable own or have access to an EyeDetect Station and online Dashboard account (Test Writers)
- If applicable, pass the practical exercises (Test Writers)

Training Process

- Converus provides certificates.
- Certificates are valid for 2 years.

Certificate Renewal Process for Standard:

- Test Proctor
- Administrator
- Test Proctor+
- Investigative
Interview

- Every 2 years
- Take courses or watch videos
- Pass online test

If certificate expires - use without current certificate.

Renewal Process for Advanced: Test Writing

- Every 2 years
- If you have written less than 3 tests:
 - Test Manager automatically disabled
 - Removed from email list
- Converus sends formal evaluations
 - If score 80% or above- auto-renewal
 - If score less than 80%- redo and submit for reevaluation
 - If the redo is incomplete, certificate expires
 - Have 12 months to complete redo to reenable access
 - After 12 months, must redo entire course
 - Can submit tests for review or evaluation prior to expiration date.

If certificate expires - Test Manager access disabled

Thanks
