EyeDetect® EyeDetect+® VerifEye®

March 2023

Message from Converus President and CEO

Verify Truth Anytime, Anywhere with Mobile App ‘VerifEye’

Hi,

CONNECT’23 will be remembered as one of our most game-changing annual events, thanks to the announcement of the release of [VerifEye](#).

Some of the comments that immediately started pouring in via chat were: “Amazing!!!” “Great work, Converus!” “This is very cool.” “This will be another great tool in the box.” “A real gamechanger!” “This is great innovation.” “Incredible work!”

For all who attended, thank you. For those that didn’t, you can watch CONNECT’23 on-demand:

- [Keynote and Product Announcement](#) | Todd Mickelsen, CEO
- [VerifEye Integration Options](#) | Ben Stout, CTO
- [VerifEye Research Results](#) | John Kircher, Ph.D. and Mark Handler, CSO
- [Live VerifEye Demonstration](#) | Todd Mickelsen and Russ Warner, COO
- [VerifEye Video Demonstration](#) |video

Here are some additional resources to learn more about VerifEye:

- [Introductory video](#)
- [Web page](#)
- [Flyer](#)
- [Press release](#)

VerifEye helps organizations or individuals verify the truth about a person’s background, identity, creditworthiness, and claims... among other things. This mobile app for iOS or Android phones quickly and accurately validates truth by measuring involuntary eye behavior. VerifEye tests can be self-administered anywhere in about five minutes in almost any language.

EyeDetect & VerifEye Training Starts Tomorrow

Our next virtual training course starts tomorrow: March 21-23. On Day 2, there are modules specific to VerifEye. Attendance is free, but registration is required. To see the agenda or register, click [here](#).

New Service Partners

A warm welcome to our new Converus Service Partner, The Timothy Center from Texas.

We continue to attract the best of the best in the credibility assessment industry. Want to become a Converus Service Partner? Click [here](#).

Click your email "forward" button to send this email to others interested in credibility assessment. And please share industry news with us! We'd love to hear from you. Email: info@converus.com.

Attend online using MS Teams.

About Converus

Converus provides scientifically validated credibility assessment technologies. VerifEye™ is the world’s first mobile app to help organizations or individuals accurately verify the truth about a person — including background, identity, creditworthiness and claims — in about five minutes. EyeDetect®, which detects deception by measuring involuntary eye behavior, is a fast, accurate, affordable, noncontact, scalable, and fully automated option to polygraph. EyeDetect+ is the world’s first automated polygraph, making the testing process impartial, accurate, and less intrusive (than a traditional polygraph). It assesses credibility by monitoring and recording ocular activity plus physiological activity similar to a traditional polygraph. Customers worldwide use the EyeDetect product line for screening and investigations to help protect countries, corporations and communities from corruption, crime and threats. Converus is headquartered in Lehi, Utah, USA. Visit: [converus.com](#)
