How to login

How to login

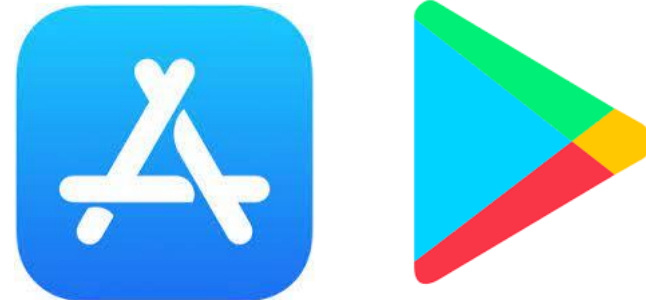

- Your Account ID and PIN
- Google Authenticator (2-step authentication)

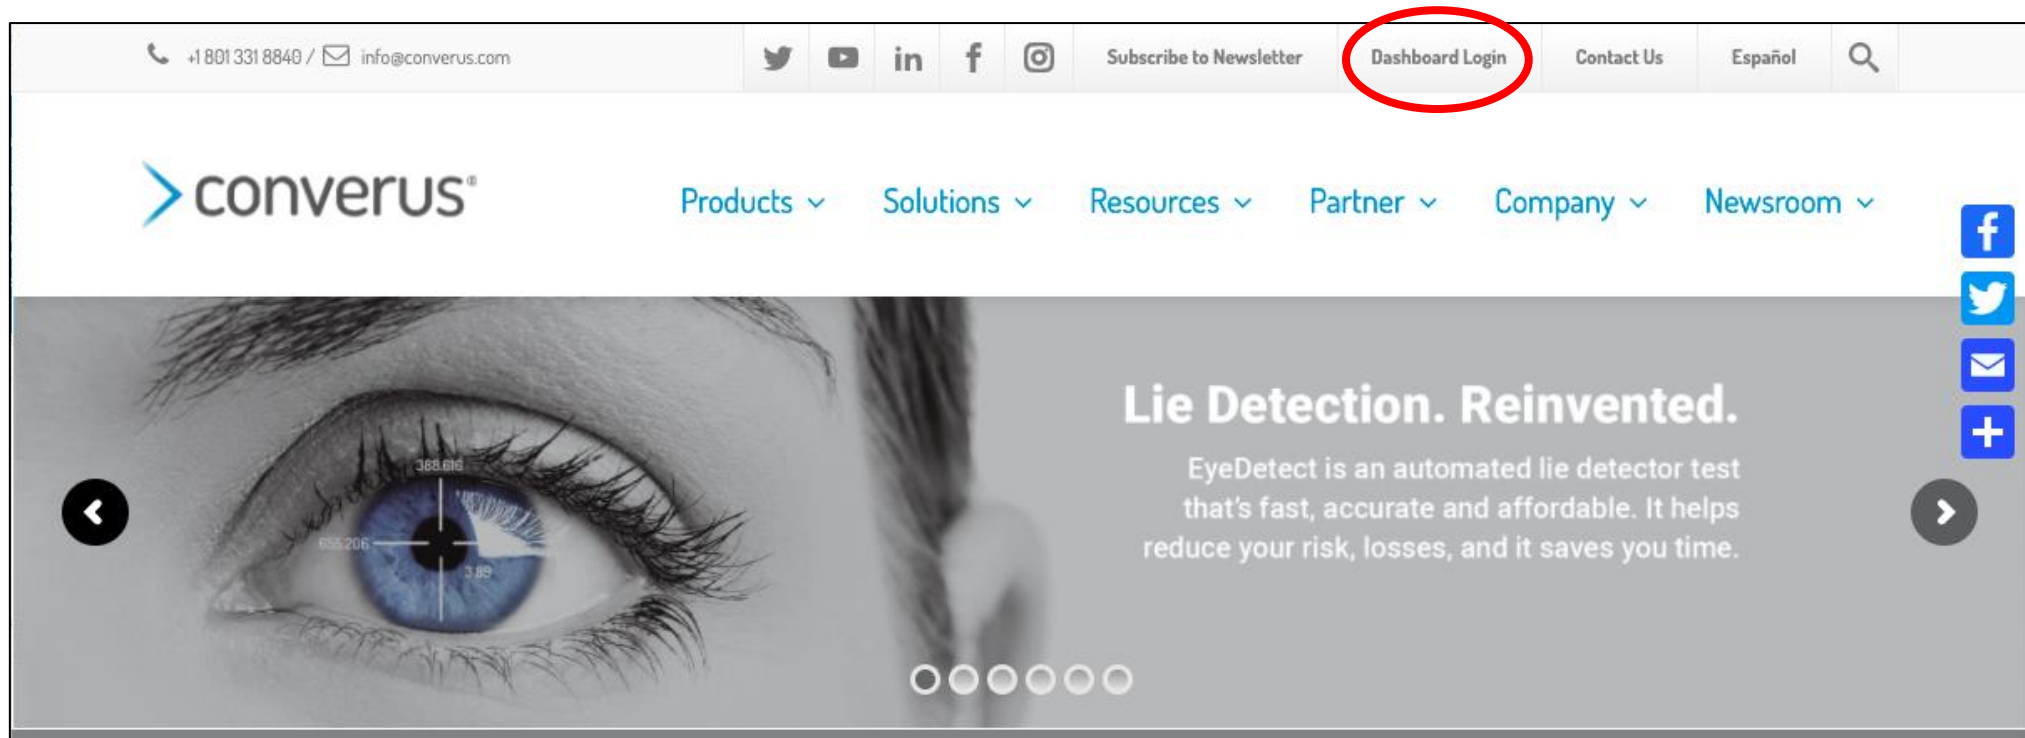

Google Authenticator

- Install on phone from App Store or Google Play.
- Authenticator gives 6-digit unique key code every 30 seconds.
- Will set up the code on the first time you login.

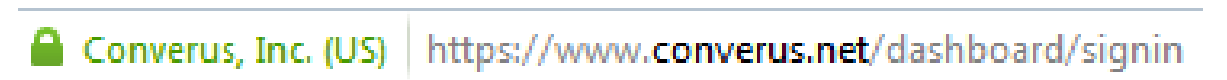

Access

- <https://www.converus.net> (note: https)
- Converus.com → “Dashboard Login”

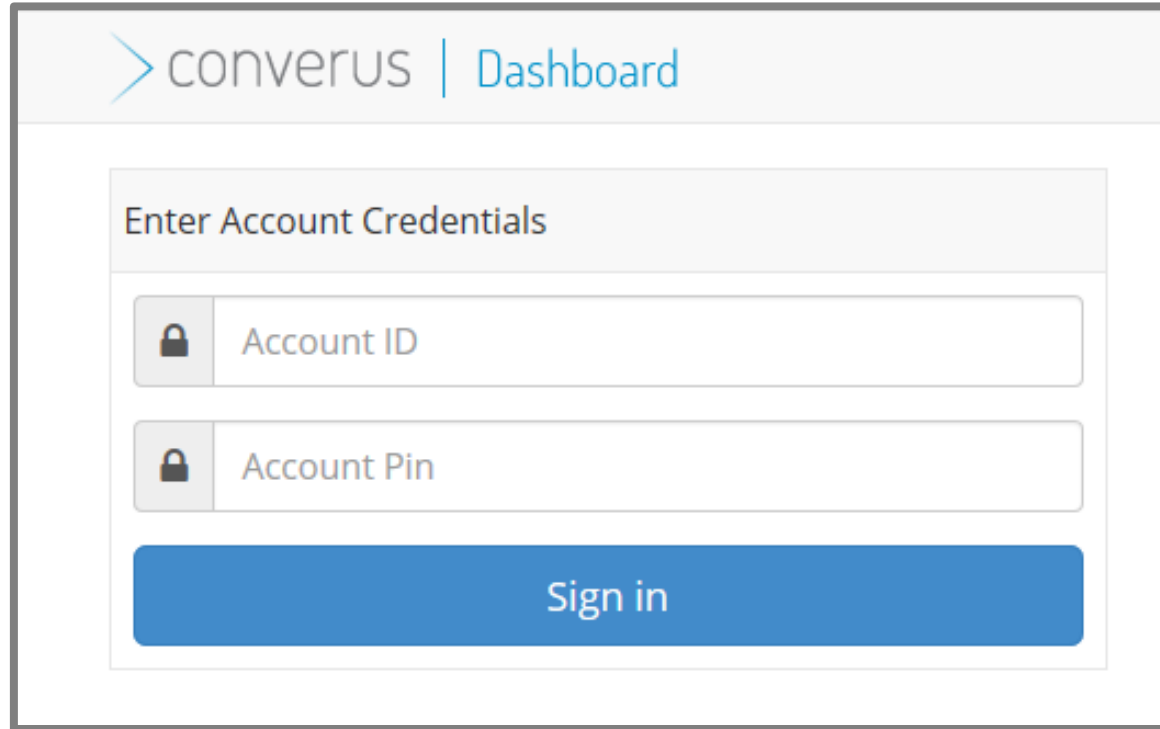

Secure Site

- If secure site symbol not displayed, do not proceed.
 - Chrome
 - Internet Explorer
 - Firefox
 - Safari

Log in

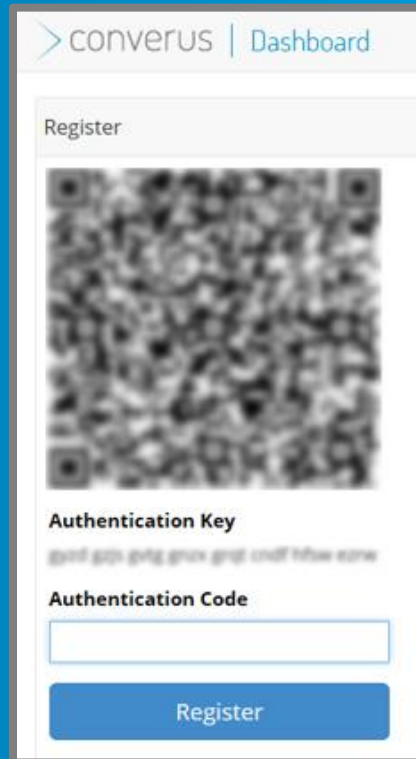

The screenshot shows a web browser window with the address bar displaying 'converus | Dashboard'. Below the address bar is a form titled 'Enter Account Credentials'. The form contains two input fields: 'Account ID' and 'Account Pin', each with a lock icon on the left. Below the input fields is a blue button labeled 'Sign in'.

Enter **ID** and **PIN**

Click **Sign In**

First-time:

1. Open Google authenticator
2. Scan QR code
3. Enter Authentication
4. Select **Register**

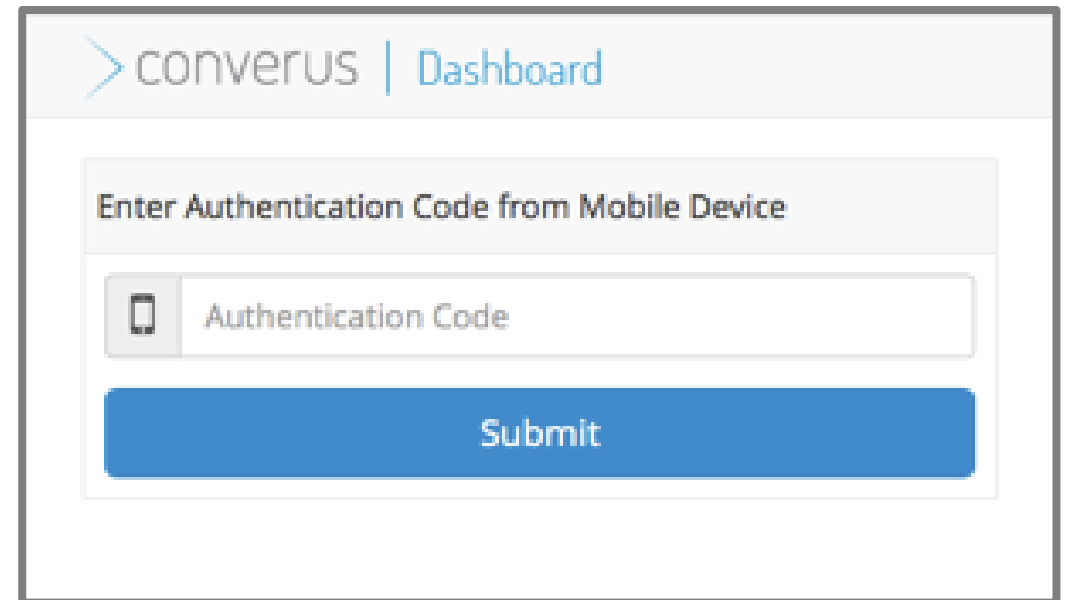

The screenshot shows the registration interface for the Converus app. At the top, there is a header with a blue arrow icon, the text 'converus', and a 'Dashboard' link. Below the header, the word 'Register' is displayed. A large QR code is centered on the screen. Underneath the QR code, the text 'Authentication Key' is followed by a long alphanumeric string. Below that, the text 'Authentication Code' is followed by an empty input field. At the bottom of the form is a blue button labeled 'Register'.

Authenticator app

Subsequent times:

1. Open google authenticator
2. Enter the 6-digit authentication code
3. Select Submit

The screenshot shows the authentication interface for the Converus app. At the top, there is a header with a blue arrow icon, the text 'converus', and a 'Dashboard' link. Below the header, the text 'Enter Authentication Code from Mobile Device' is displayed. Underneath this text is a white input field with a mobile phone icon on the left and the placeholder text 'Authentication Code'. Below the input field is a large blue button labeled 'Submit'.
